Offer expires 90 days after date of closing on record with local Registry of Deeds. Free rekey includes labor and materials for repinning of up to 12 cylinders with 3 copies of new key on same day as burglar alarm installation during regular business hours (\$265.00 value). All cylinders repinned must be the same keyway and keyed alike. 3 free months of monitoring is for standard burglar alarm response monitoring only (\$56.85 value). Purchase of burglar alarm system with professional installation and signed 12 month monitoring agreement at \$18.95 per month required to qualify for free rekey and free monitoring offer. Not to be combined with any other promotion or offer. Installation location must be within 30 miles of West Springfield, Massachusetts to qualify.

If rekey is requested to be performed in advance of monitored burglar alarm installation, the rekey must be purchased at regular rates. The total purchase price of the rekey (minus \$50 advance install fee) will be credited towards the purchase price of the monitored burglar alarm system. Rekey and burglar alarm installation must both be performed before offer expiration date for offer to be valid.
